

JEREMIAH JEOPARDY REVIEW GAME

Group members might enjoy playing a round of Jeremiah Jeopardy as a way of review. You might plan in advance to extend your last session by 10-15 minutes, if possible. Or, if you plan to have a separate celebration session, you could play the game then.

Draw the category playing board on a whiteboard or posterboard. Divide the room in half and flip a coin to decide which team goes first. (You might ask your apprentice leader to keep score.) The first team chooses a category and point value. (For example, "We'll take Listening for 400.") When they choose a value, cross it off as an option (either erase from whiteboard or put an X on the posterboard chart) so that on future turns participants will know it is no longer an option.

Category Playing Board

Surrender	Counterfeits	Listening	Heart Issues	Blame Game	Jesus
100	100	100	100	100	100
200	200	200	200	200	200
300	300	300	300	300	300
400	400	400	400	400	400
500	500	500	500	500	500

When the team chooses a category and point value, read the corresponding "answer" from the answer chart, reminding them to frame their response in the form of a question. Don't be a stickler about exact answers; if they get in the ballpark, give it to them. If they answer incorrectly, the other team gets an opportunity to steal the points by answering. If neither team answers correctly, give the answer and cross off the question. The answers worth 500 are more difficult than the 100 values.

Surrender	Counterfeits	Listening	Heart Issues	Blame Game	Source of Hope

God said He had set Jeremiah apart from this point in his life. <i>(What is the womb?)</i>	God was upset when these people were often overlooked and forgotten in Jeremiah's day. <i>(any one of these: What are orphans, widows, foreigners, poor, innocents?)</i>	God told Jeremiah to go and bury this in a cave by the Euphrates River in Chapter 13. <i>(What is loincloth or underwear?)</i>	This is one of the many adjectives used to describe the heart in the Book of Jeremiah. <i>(any of these: What is deceitful, wicked, merciful, stony, so on?)</i>	God hoped His people would choose this when faced with the choice of life or death. <i>(What is life?)</i>	This verse reminds us that God has good plans for us—plans not to harm us but to give us a future and a hope. <i>(What is Jeremiah 29:11?)</i>
200	200	200	200	200	200
In Chapter 38 Jeremiah ended up at the bottom of this where it was very muddy. <i>(What is a cistern?)</i>	Jesus offered the Samaritan woman this. <i>(What is living water?)</i>	Jeremiah said there was a difference between straw and this in Jeremiah 23:28. <i>(What is grain?)</i>	Proverbs 4:23 says we must do this to our hearts because everything we do flows out of our hearts. <i>(What is guard?)</i>	This is one of the reasons we suffer. <i>(any of these: What is fallen world, obedience to Christ, disobedience, and so on?)</i>	Instead of riding the approval roller coaster, we are called to live with an audience of this size. <i>(What is One? Or God?)</i>
300	300	300	300	300	300
These are two of the many trials Jeremiah encountered. <i>(any two: What is family rejection, loneliness, arrest, mocked, cistern, prison, and so on?)</i>	God said the people had done two evil things– they had forsaken the fountain of living water and instead built these things. <i>(What are cracked cisterns?)</i>	This is God's phone number from the verse that says "Call to me and I will answer you." <i>(What is 3-3-3, or Jeremiah 33:3?)</i>	God said Israel forgot how to do this red-cheeked activity. <i>(What is blush?)</i>	God's discipline is always motivated by this. <i>(What is love? Also accept other answers such as mercy, justice, and so on.)</i>	This is how many years Jeremiah prophesied the exile would last. <i>(What are 70 years?)</i>
400	400	400	400	400	400
This is a description of the two types of plants Jeremiah described in Chapter 17:5-8. <i>(What is a desert shrub and a tree planted by the river?)</i>	The number of the commandment against idolatry. <i>(What is #2?)</i>	A name for God used in the Book of Jeremiah. <i>(any of these or others: What is Potter, Lord of Hosts, Lord of Heaven's Armies, Sovereign, Creator, Yahweh?)</i>	God said Jeremiah was a tester of these hard objects that fire purifies. <i>(What is metal?)</i>	The opposite of humility that the individuals and nations repeatedly faced judgment for. <i>(What is pride?)</i>	Jesus and Jeremiah had this in common. <i>(What is ____? Lots of answers; see Week 6 Digging Deeper, "J".)</i>
500	500	500	500	500	500
Jeremiah was from this small town outside of Jerusalem. <i>(What is Anathoth?)</i>	The two items a woman never forgets according to Jeremiah 2:32. <i>(What is wedding dress or ring?)</i>	The Hebrew word for listen used most often in the Book of Jeremiah. <i>(What is Shama?)</i>	In Jeremiah's vision, the people gave this rotten fruit as offerings to God. <i>(What are figs?)</i>	Jeremiah's scribe and friend. <i>(Who is Baruch?)</i>	Jeremiah referred to the future Messiah as a righteous one of these. <i>(What is branch?)</i>
